German-learning levels

S2G's learning path provides a roadmap or curriculum designed to guide you through a progressive sequence of learning activities and milestones in order to achieve specific learning goals or outcomes.

At the A1 level in S2G, candidate can understand familiar words and simple sentences in listening, comprehend individual familiar names and words in reading, and communicate in a simple manner, with support from the conversation partner adjusting their speech. They can ask and answer basic questions, describe people they know and their living arrangements.

At the A2 level in S2G, candidate can understand basic sentences and common words in listening, comprehend short and simple texts in reading, and engage in simple conversations on familiar topics in speaking. They can describe personal information, such as family, living situations, education, and employment, using simple language structures. In writing, they can compose short messages and even basic personal letters, and write short postcards and complete basic forms.

At the B1 level in S2G, candidate can understand main points in clear and standard language related to familiar topics, extract information from radio or TV programs at a slower pace and comprehend texts containing professional language. They can handle most travel situations, engage in spontaneous conversations on various topics, and express experiences, opinions, and dreams using simple and coherent sentences. In writing, they can compose texts on familiar or interesting subjects, including personal letters and reports.

At the B2 level in S2G, candidate can comprehend longer speeches, news programs, and movies, understand articles with specific viewpoints, and engage in fluent conversations with native speakers. They can actively participate in discussions, provide detailed descriptions of various topics, present their views on current issues, and write clear and detailed texts, including essays and reports. Their language proficiency allows them to express themselves effectively and convey personal perspectives and experiences.

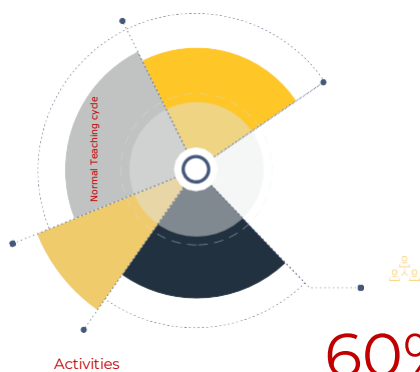

Conversation Path

It's important to note that the specific steps and structure of a conversation course at S2G Academy based on the course duration, level of proficiency, and the particular teaching methodology employed by the Academy.

- ✔ **Assessment:** Candidate' language proficiency and conversation skills are assessed to determine their starting point and identify areas for improvement.
- ✔ **Goal Setting:** Candidate and instructors discuss individual goals and objectives for the course, such as improving fluency, expanding vocabulary, or focusing on specific conversational topics.

60%
Higher in
Teaching Quality
